Customer number _____

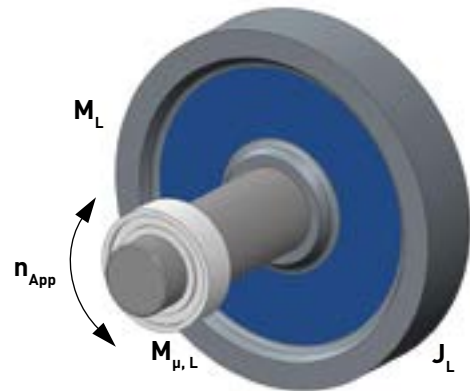

No. and Street _____

Postal code, town/city _____

Country _____

Phone _____

email _____

Application data

Moment of friction load $(M_{\mu L})$ _____ Nm

Additional moment of inertia (J_L) _____ kgm²

Kinematic key data

Cycle time (t) _____ s

Max. speed of application (n_{max}) _____ min⁻¹

Max. angular acceleration (a_{max}) _____ rad/s²

Max. counter-torque of application (M_{max}) _____ Nm

Gearbox details

Gearbox type _____

Gearbox size _____

Design _____

Ratio $i =$ _____

Backlash Standard Reduced \leq _____ arcmin

Installation position US = _____ AS = _____

Foodsafe version

Ambient temperature _____ °C

Motor data

Motor shaft- \emptyset $(d \times l_1)$ _____ mm

Register- \emptyset (b_1) _____ mm

Pitch circle- \emptyset (e_1) _____ mm

Motor mounting (s_2) _____

Outer geometry of flange Square Round
